Earl Pratt Named New Principal

Earl J. Pratt will serve as principal of the Placentia Unified School District's Orchard Drive Elementary School during the 1970-71 academic year as a result of unanimous action taken by the local Board of Education on August 11.

Out of a field of thirty-one qualified applicants, Pratt was one of five to be orally interviewed by a screening committee headed by Superintendent of Schools Murrell M. Miller. Candidates were from both inside and outside the district for the two positions to be filled.

The new Placentia principal is thirty-seven years old and has been employed as an elementary school administrator in Frankfort, Germany, for the U.S. Department of Defense as a part of the Government's Educational Development Program. Prior to this, he served as a principal in the Savanna School District and taught in the Cypress Schools.

Pratt holds a degree from Millikin University in Decator, Illinois, and completed his Master's at Cal State, Long Beach.

He is the father of a nine year old daughter.

Chamber Board Cancelled Meeting

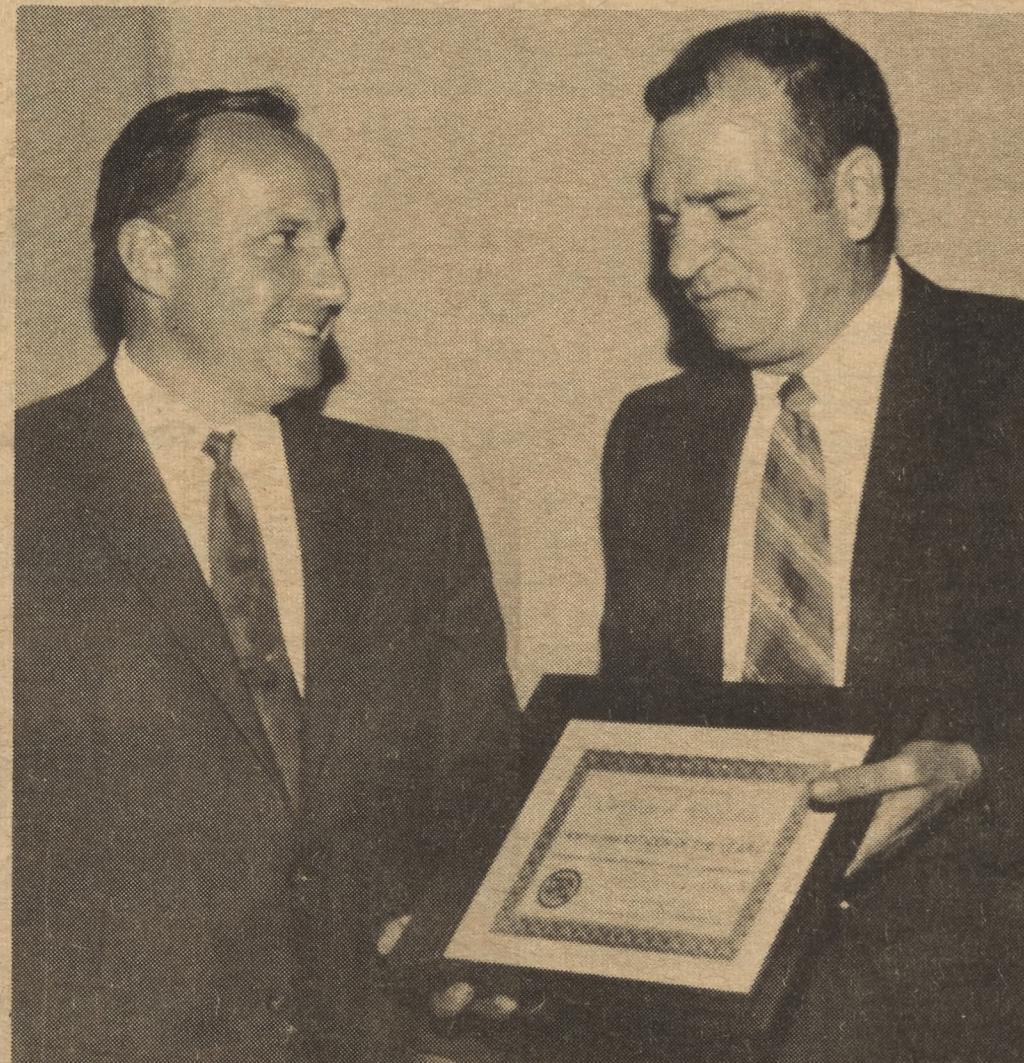

PLACENTIA — According to the Chamber of Commerce President Albert S. Bradford the regular August meeting of the Chamber Board of Directors has been cancelled due to vacations. Bradford said that an announcement of the time and place of the September meeting will be made later.

FJC Nursery School Set For September

FULLERTON — Enrollment for the fall semester nursery school program at Fullerton Junior College will begin Tuesday, September 1, and continue through September 18, according to Mrs. Dorothy Sailor, home economics instructor.

The nursery school is conducted in the Child Study Center on the FJC campus, 321 East Chapman Avenue, Fullerton.

Women interested in placing their three and four-year old children in the program need to file an application in a Parent-Education class as soon as possible. During the school year, two sessions of the nursery school are held daily. The morning session is held from 9 to 11 a.m. Monday through Friday. The afternoon session is held from 1 to 3 p.m. Monday through Thursday.

Chamber of Commerce President Albert S. Bradford presents Bud Cook with the citizen of the year award at the Chamber of Commerce installation banquet held Saturday evening.

Planners Agree To Board Of Adjustments Abolition

PLACENTIA — The Planning Commission voted to recommend that the City Council abolish the Board of Adjustments and substitute a new Board of Zoning Administration under the control of the Planning Commission.

Commissioners recommended that the board consists of three members appointed by the City Council from the community. Duties and powers of the new body are not spelled out in the ordinance, the Planning Commission having the power to delegate any of its present powers to the new board.

Under the ordinance any action of the new board could be appealed to the Planning Commission by a Commissioner,

Councilman or member of the general public.

The new body was created in order to allow the Planning Commission to delegate some of the routine items it now hears to another body to allow it more time for planning studies and code amendments.

Commissioner Bill Beggerly voted against the amendment, saying that he felt that any new board should have at least five members, including two staff members, one commissioner and two lay people. He said that a three member board was too small to be handling the items it would consider.

The amendment will now go to the City Council for its consideration.

Valencia Song and Flag Squads In Rams Show

PLACENTIA — Among the many outstanding youths which performed at the nationally televised 25th annual Los Angeles Times Charity game were the flag and song squads of Valencia high school.

The girls participated in a pre-game show which featured all the participants and performed four more times during the evening, exchanging places after two performances on one side of the stadium.

In May, the squads were invited to perform but were only told that the music they would use was made up of 128 beats. This meant each group had to make up a routine which would fit any music containing that number of beats.

Flag squad members include Val Jones, head; Charmaine

YL Council To Reconsider Closing Of Main Street

YORBA LINDA — The City Council will hold another public hearing concerning the closing of Main Street between Imperial and Yorba Linda Boulevard at their first meeting in September following a unanimous vote to reconsider the proposal.

Councilman Roland Bigonger requested that the item be reheard and Bob Johnson, and Howard Lindow, two of the most vehement opponents of the closing, told the council that they were withdrawing their objections to closing the street.

Councilmen also voted to accept the private streets in the Fairgreen townhouse area contingent upon its annexation to the city. An election on the

Three Streets Added To Circulation Plan

PLACENTIA — The planning Commission has approved the addition of three streets to the city's master plan of streets and highways.

The streets are Placentia Avenue from Kraemer Boulevard to Orangethorpe Avenue and Bradford Avenue from Crowther Avenue to Orangethorpe Avenue.

Chapman Avenue from Kraemer Boulevard east is planned as a 100 foot wide primary highway which will provide direct access to the center of the city from the east and which will serve the area east of Kraemer Boulevard as it develops.

Both Placentia and Bradford avenues will be 80 foot wide secondary streets.

The addition of these streets to the plan and their construction was among the recommendations of the Chamber of Commerce as a way to ease access to the city.

annexation will be held Tuesday.

Councilmen requested bids for the construction of a storm drain under Osmond Lane and the Cajon Canal on request of John Nobles, who has problems with water backing up during heavy rains.

A bid for the sealing of city streets was awarded to the Gilsabind Company at a cost of \$8,991.51. Other lower bids did not meet the specifications which called for use of Gilsonite only.

Election On Annexation To Be Tuesday

YORBA LINDA — A total of 442 voters are eligible to go to the polls next Tuesday in an election to determine whether the area bounded by Esperanza Road, Imperial Highway and the Yorba Linda City Limits will become a part of the city.

The polling place at Glenknoll School will be open from 7 a.m. to 7 p.m. August 25. There are about 1,300 people in the annexation area.

According to Yorba Linda City officials absentee ballots for those persons not able to come to the polls are available for persons having an emergency which came up after yesterday's closing of the regular ballot application period.

FJC Plans Band Camp

FULLERTON — Plans have been completed for the annual fall Band Camp at Fullerton Junior College, it was announced today by Dr. Anthony R. Desiderio.

The Camp, which will be directed by Dr. Desiderio with Dave Frederick and Stan Ingram, both UCLA graduate students, assisting, will be held from Monday, September 7, through Thursday, September 10, from 10 a.m. to 3 p.m.

A feature of the Band Camp will be a performance of special music arrangements prepared by Ingram especially for the FJC Marching Band. Aspiring drum majors will have the opportunity to lead the band during the four-day Band Camp, after which the 1970-71 FJC Marching Band Drum Major will be selected.

All former members, transfers, and incoming freshmen musicians are invited to participate in the Band Camp free of charge. Registration will take place at 10 a.m. on September 7 in the FJC band room. Department to Abandon 1942 Pumper

Chief Jim Sims of the Placentia Fire Department recently announced that the department is planning to phase out the vintage 1942 Seagraves pumper that is kept as a Reserve Unit at Fire Station I.

The fire unit was built by the Seagraves Company for the Navy during World War II and has a completion date on the manufacturer's label of October 31, 1942. This unit saw service for a number of years as a structural pumper at various Naval bases. In 1958 the City purchased this pumper as surplus from the Navy and before putting it into service, had it completely re-conditioned.

The pumper has a 200 gallon water tank, a 750 GPM two-stage pump, and is powered by a V-12 Seagraves engine. For a brief period of time, this unit was the first line pumper until the City received delivery in the Fall of 1958 of a 1000 GPM Crown Pumper.

Mayor Robert Finnell, center, installed Norman DeVilbiss left, as a director of the Chamber of Commerce, and Albert S. Bradford, right, as second term president at the Chamber installation banquet Saturday.

Boys Club Moves Into New Office

As of August 10th, the Boys' Club of Placentia is coordinating all phases of planning, fund raising, and construction from its new office at 132 E. Crowther Avenue, which is the site of the new facility.

Activities for the 250 energetic youngsters making up the Boys' Club membership will continue to be housed at Chapman Hall.

The new club office is open Monday through Friday; however, programs at Chapman Hall will continue to operate Monday through Saturday.

Construction of the new facility will begin late October if all goes well, according to the club's executive director, John Badger. He continued, "We are pleased at the increased interest of the community in the work the Boys' Club has been doing for many years."

The firm of Louderbach & Associates has been selected as architect for the facility which will be nearly 14,000 square feet of program area. Oscar Louderbach has been active in previous years with the Fullerton Boys' Club and brings a great deal of experience to the difficult chore of planning a complete yet economical structure.

Sr. Gomez; Simpatizamos y apreciamos mucho su interes y tambien su preocupacion e inquietud sobre los problemas sociales y morales que actualmente existen en nuestra juventud en los Estados Unidos de America. Este es un problema aparentemente Universal. Debido a la estructura socio-economica de este pais, la presion que se nos impone debido al elevado costo de vida, muchas madres tienen que abandonar el hogar e irse a trabajar para ayudar a el jefe de la familia a suplir las necesidades basicas de sus hijos.

Los Estados Unidos de

America, se compone de habitantes de todas partes del mundo y cada raza o cultura adopta una filosofia distinta en el modo de criar o levantar una familia.

No hay duda que el problema existente en la conducta de nuestra juventud es de gran magnitud. No es un problema que puede resolverse con violencia. Debemos estudiar cuidadosamente la situacion y en una forma mas logica afrontar el problema que afecta tanto nuestra juventud y la seguridad de nuestros hogares.

Le reiteramos las gracias al Sr. Ernesto Gomez, por su interesante articulo.

QUEREMOS RECORDARLE A AQUELLAS PERSONAS DE CULTURA MEXICANA Y CIUDADANOS AMERICANOS QUE NO SE OLVIDEN REGISTRARSE PARA VOTAR EN LAS ELECCIONES DE NOVIEMBRE.

SEPTIEMBRE 10, SERA EL ULTIMO DIA DE REGISTRO. Puede ir a la Alcaldia o Ayuntamiento de su ciudad a registrarse o pedir informacion.

Bill Hart, right, Scoutmaster of Boy Scout Troop 740, presents David Trawick with his Eagle Scout badge while his father Jim Trawick looks on. The ceremony took place last week.

Eagle Court Of Honor Held For David Trawick

An Eagle Court of Honor was held for David James Trawick, son of Mr. and Mrs. James F. Trawick, 2120 Tynes Drive, Placentia, on August 13 at St. Joseph's Catholic School Recreation Hall.

David, who is 12 years old, will be the youngest boy to attain the rank of Eagle in the history of the Esperanza District of the North Orange Council.

David has been in scouting for five years including Cubs, Webelos and Scouts. During this time he has

earned thirty-five merit badges, and has hiked and back-packed over 160 miles since January of this year.

He has received the 50-mile Award, two Training Hike Awards, the California Riding and Hiking Trails Award, the Camelback Award, the El Camino Real Award and the Grand Canyon Trails Award.

As a Life Scout David was Patrol Leader for six months and upon becoming Eagle will be promoted to Junior Assistant Scoutmaster.

Preparing for the Placentia-Yorba Linda Junior All-American Football Association carnival Saturday, August 22 are, from left, Leonard Altavilla, Karen Bidnick and Bruce Bidnick. The carnival will be held in the Valencia High School parking lot from 10 a.m. to 7 p.m. There will be food and game booths and scrimmages will be played during the day.

Joyce Hall Married To Douglas Dahlke

In a mid-afternoon ceremony, Saturday at St. Joseph's Catholic Church on Bradford Ave, Joyce Marie Hall was united in marriage to Douglas Kent Dahlke, of Evanston, Michigan.

The bride is the daughter of Mr. and Mrs. John Hall of Somerset Drive in Placentia. The groom is the

son of Mr. and Mrs. Stan Dahlke of Evanston, Michigan.

The bride wore a traditional white gown of organza with the daisy motif. It was lavishly trimmed at the neckline, sleeves and front panel with fine Venetian lace.

Nancy Hall was maid of honor for her sister. A second sister, Mary, her cousin Donna Engle, and the sister of the groom, Sharon Dahlke, were the brides attendants.

The groom chose his cousin, Gary Cunningham of West Covina, as his best man.

A patio buffet and garden reception followed the ceremony at the home of the bride's parents. Music for dancing was provided by the "Good Grief" from Newport Beach.

Following a wedding trip to Lake Tahoe, the newlyweds will make their home at Newport Beach.

The bride-to-be was guest of honor at a shower last Sunday. Co-hostesses for the affair were Mrs. Francis Engle and Mrs. Mel Engle.

CHS Offers Counseling Service

(Second of Three Parts)
At least 1,150 Orange County women—many of them teenagers—bore children out of wedlock last year.

To each of these unwed mothers, and often to their parents, the tragedy of the pregnancy brought a personal crisis and the need for sympathetic help. When a young unmarried mother, calls Children's Home Society, a member of the agency's professional social work staff begins a series of counseling sessions which continues until after delivery.

Acceptance of a girl for counseling is not contingent on her agreeing, or even expecting, to relinquish her

child for adoption. No decision about the baby's future is ever made, or indeed permitted, until after his birth.

"Our goal is to assist a girl in considering the alternatives for herself and her child," according to Edward J. Mooney, Director of the Orange County District Office. "We

try to help her make an appropriate and lasting plan for both, and a healthy adjustment to her final decision. We want to help her return to the community with a better knowledge of herself, her family and her future. No fee is charged for services to natural parents, but girls who can afford it may pay some or

all child-care expenses. All services are completely confidential."

Married parents who feel unable to cope with an unplanned pregnancy, or think they cannot provide for another child, can also turn to Children's Home Society for counseling.

Unless the baby goes with his natural mother permanently upon her release from the hospital, he will be taken into care by the Society and placed with one of the licensed foster boarding families. Here the baby receives warm and loving care until he is returned to his mother or relinquished by her and placed with an adoptive family.

AFS To Sponsor Battle Of Bands September 11

The local American Field Service will sponsor a Battle of the Bands dance Friday, September 11, from 8 to 12 p.m. at the El Dorado High School gym.

Included will be a light show by Jeff Hayden, a dance contest and refreshments. Two of the competing bands will be The Redwoods and the Shades of Time.

Among the guests for the evening will be all area foreign students who will be attending area high schools this fall. Cheryl Bigelow, who spent a summer in Germany under the Americans Abroad program this summer will also be present.

Proceeds from the event will go to finance the exchange student program that brings foreign students to local schools and sends

American students to foreign countries.

New Book By Bill Duncan Now Ready For Release

Placentia author, William J. (Bill) Duncan of 127 W. Madison Ave. has a new book entitled "Suzie" being released this month by Hallux, Inc., book publishers of Atlanta, Ga.

Duncan is the author of a history of the R.M.S. Queen Mary, entitled the "Queen of the Queens" which was released in the fall of 1969.

A former news reporter, Duncan is now a full time free lance writer and is working on his third book, a documentary concerning World War II. He has lived in Placentia for 11 years.

The new book, written in collaboration with Verda M. Mackay of Santa Ana, is about a small Vietnamese girl, nicknamed Suzie who was brought to Childrens Hospital in Orange for open heart surgery. Mrs. Mackay is public relations director of the hospital.

"Suzie" is the life and death struggle of this child, dying from a birth defect in the midst of a horrible war.

The name Suzie was given to the child at the hospital.

when the nurses were unable to pronounce her Vietnamese name.

Bottles Now On Display In Local Library

Bottles collected by the Gene Cason family of Placentia are now on display at the Placentia Library, according to Librarian Louise Tracer.

Cason, describing the collection, said that the hobby began one day when he saw some old bottles in a local dump. He commented that most of his bottles are from the local area.

He said that he looks for the sites of old houses where there might have been a dump and starts digging. He has gotten his children involved also.

Mrs. Tracer said that anyone having an interesting hobby they would like to display for two weeks in the case should contact Mrs. Solesbee at the library.
